At our next meeting.....

3B7C OPERATION CONCLUDES JUST BEFORE NEXT MEETING!!

The highly successful 3B7C operation will be concluded a few days prior to our meeting, and hopefully team member Bob, N6OX plans to attend the meeting to show some pictures and describe firsthand how this gigantic operation was conducted.

This will be an excellent kickoff to the operating season. Propagation in mid-September has been improving daily, so bring your activity reports for the DX Round Table!

Hope to see you there!!!

San Diego DX Club Policy

on content of

DX Bulletin and/or E-mail Reflector

The San Diego DX Club, a group of Amateur Radio operators, interested in the art of DXing, publish a monthly newsletter, and maintains an e-mail reflector where members and officers can post information of interest to other members. The E-mail reflector is NOT an official club reflector. The reflector was created for club use, but it is privately owned.

Our policy is to print and/or post only information that is related to Amateur Radio, and not items of a political or religious nature, unless it has an impact on Amateur Radio, such as antenna ordinances, etc.

If a member wishes to have printed/posted any topic that is not Amateur Radio related, they can submit a copy to the club newsletter editor, webmaster, e-mail reflector moderator or any club officer, and the matter will be discussed and decided upon by the Board of Directors. **No PERSONAL attacks** will be allowed in either the newsletter or on the reflector.

Submissions are due on the 2nd Wednesday of each month!!
